

Station Hand

- Permanent Full-Time Position
- "Barton Station", Moyston VIC

Hassad Australia is a leading Australian agriculture company committed to excellence in livestock & grain production. The company is seeking an experienced Stockman for its 8,244 ha property based at Moyston.

With a focus on large scale sheep and cattle production, key duties will consist of animal husbandry, stock handling, chemical application, fencing maintaining and operating farm vehicles and machinery.

The successful applicant will be hands-on, highly motivated and driven to improve productivity, quality of output, and in ensuring a safe work environment for all.

To be considered for this role, you will ideally have the following:

- Minimum of 2 years livestock experience and own working dogs
- Sound communication skills
- Ability to work both independently and in a team environment
- Desire to progress within the agricultural industry

The company will offer competitive remuneration, accommodation and development opportunities for applicants that are hard working and committed to safety in the workplace.
