

MAINTENANCE/STATION HAND

PARAWAY PASTORAL – COOINBIL STATION

Paraway's Cooinbil operation covers approximately 89,000 hectares in the Riverina district, NSW. The property joins over 35,000 Merino ewes, as well as running trade cattle and 500 hectares of irrigated cropping country.

This is an excellent opportunity for an experienced, self-motivated and mechanically-minded **Maintenance/Station Hand** to take responsibility over the Station's maintenance requirements, water infrastructure and livestock duties in a challenging and rewarding environment.

Strong emphasis is placed on a positive attitude, team culture, professional development and a safe working environment.

Reporting to the Station Manager, the successful applicant will require:

- Experience in implementing and planning a maintenance program and maintaining an efficient and safe workshop
- Working knowledge of operating bore motors, pumping equipment, generators and other small motors
- Experience in installing and maintaining property fences and barriers
- Experience in and commitment to best practice livestock handling and production
- Effective communication skills, organizational skills and attention to detail
- Ability to think innovatively and contribute positively to the work program
- Ability to work unsupervised at times
- A diligent approach to WH&S

The successful applicant will be required to live on-property and will be supplied with a comfortable 4 bedroom house. Remuneration will be commensurate with experience.

Applications close 25th February. Candidates wishing to apply should send an application letter addressing their suitability for the position applied for, and a resume outlining their experience, to: employment@paraway.com.au
