Career Opportunity Livestock Strategic Operations

THE COMPANY

Teys Australia operates six modern and efficient beef processing plants strategically located across the Eastern seaboard of Australia, we also have three cattle feedlots, two value add complexes, a hide processing facility, distribution, Teys USA, and our head office based in Queensland. The geographic location of the Company's operations provides an ideal alignment with the Australian cattle production system.

THE POSITION

This role is a permanent full time position based at our Biloela, QLD complex. This role exists to support the livestock manager in all aspects of scheduling livestock to meet plant processing requirements and Teys Australia customer demands. Provides support for producers through discussion on carcass grading and managing our internal program Grasslands for the Biloela producer base.

KEY ACCOUNTABILITIES

- Provide support and backup for all livestock office roles
- Assist livestock manager in scheduling livestock to meet plant processing requirements
- Field questions regarding carcass feedback and carcass grading and assist producers to improve grading results on farm
- Support the livestock office in maintaining a high level of integrity and traceability through LPA, NLIS, and MSA and internal Teys Australia systems and programs
- Manage Teys Australia's internal grassfed program Grasslands for the Biloela producer base, including accessing and processing accreditations
- Support the wider livestock team to build collaborative relationships with the Teys Australia producer base

THE PERSON

Successful candidate must possess the following:

- Personal qualities of reliability, punctuality, confidentiality, commitment and attention to detail
- High level of computer literacy and proficient in IT systems including Excel
- Excellent communication and problem solving skills
- Genuine enthusiasm and interest in beef cattle production, meat science and meat processing

Desirable

- Tertiary qualifications in an agricultural science
- Statistical analysis experience
- Project management experience

WHY WORK FOR US?

This role is a member of our salaried staff team, as such you will have access to our suite of available salary packaging options and benefits, career development planning plus the knowledge of working for a stable and reputable company with family values.

APPLICATIONS

To be submitted directly to Mat Pavey – Livestock Manager via email mattp@teysaust.com.au before the closing date of 30th March 2018.
