

Station Manager – Redford Station

- **Unique opportunity with a vertically integrated, industry leader**
- **100% Australian owned and operated**
- **Located near Mitchell, Qld**

About us

Australian Country Choice (ACC), together with Australian Cattle and Beef Holdings (ACBH) are proud industry leaders in producing and supplying highest quality beef products to the local and export markets. We employ over 1300 Queenslanders and together our diverse operation processes 300 000 head of cattle across our large-scale breeding, backgrounding, feedlotting and through to our modern meat processing and packaging facility.

The role

Redford Station is a well-established and highly developed property with extensive infrastructure and a modern, well equipped 4 bedroom homestead. The property comprises over 120,000 acres and carries up to 12,000 head of cattle, with a permanent team of up to 6.

Reporting to ACC's General Manager – Rural Production, the Station Manager has responsibility for effectively and safely managing cattle, pasture and infrastructure programs and the team to ensure highest standards of animal health and welfare, achieve operational performance and productivity across:

- Cattle management
- Pasture management
- Asset and infrastructure repair and maintenance
- Property planning & development
- Financial management and budgeting
- Workplace health and safety
- Training and team development

About you

Along with demonstrated experience managing a high performing cattle/pastoral property within a corporate environment, the successful manager will have proven ability in:

- Cattle management & Backgrounding
- Pasture Management
- Property planning & development
- Infrastructure, plant & equipment maintenance
- Horse management
- Commitment to workplace safety and knowledge of safe work practices
- Solid understanding of compliance and regulations relating to quality, animal health and welfare and environment
- Ability to lead, manage and develop an engaged team
- Communication and relationship building
- Effective negotiation & influencing
- Financial acumen and reporting
- Computer literacy

This is an exceptional role for a dedicated, self-driven and progressive manager to take the next step in their career. You'll thrive having accountability and autonomy with the benefit of leadership support and access to our group head office shared services and systems.

Apply now

We're solid, we're progressive and we continue to invest in our infrastructure, our technology and our people. Apply now for opportunity to have the best of both worlds: The security that comes with a progressive corporate pastoral operation who continue to grow, develop and innovate, along with the support and personal interest that comes with being part of a Queensland based family business.

Not just jobs. We do careers. Grow yours with us.
