

## **Graduate/ Station hand, King Island, Tasmania**

**Are you a Graduate looking to grow into an Overseer role? Then this is the job for you....**

The TRT Pastoral Group owns and operates pastoral interests in New South Wales, Victoria and Tasmania. Our unique and diverse holdings are largely insulated against a changeable environment to provide true agricultural sustainability.

The King Island aggregation is a 6,780ha beef operation calving 7,000 Angus cows, targeting the feeder steer and premium grass-fed market. The farms are intensively run focussing on optimising pasture production and utilisation.

The farms would be considered flat to easy rolling country. Ideally our applicants will be advocates of rotational grazing and it would be a real advantage to have experience with or knowledge of cell or techno grazing systems.

We are seeking applicants with a strong interest in the beef industry to join our motivated young team. This is a very real opportunity to acquire a depth of skills, knowledge and on the job training and mentoring in beef production.

The successful applicants will be self-starters who take pride in their work with good communication/organisational skills. Experience with cattle, Tertiary training and good computer skills are highly desirable.

This role comes with accommodation and is based on farm, on King Island. King island is a short 36 minute plane ride from either Melbourne or mainland Tasmania with daily flights from both. The island has 1,600 residents and has great infrastructure, offering fantastic recreational activities including surfing, fishing, diving (crayfish and abalone). The King Island community is very active and has three Aussie Rules football teams, three golf courses (2 world class links courses), squash and tennis courts, a racecourse with six meets per year and other great social activities!

This is a great opportunity to further your career in a high-performance beef farming environment in a unique location with a supportive and dedicated team.

Applicants must be located in Australia and be Australian or NZ citizens or hold a permanent residency visa.

For more information on King Island visit [www.kingisland.net.au](http://www.kingisland.net.au).

For further information give Tas Loane a call on 0428 293 377.

To apply please send your resume with cover letter and three referees to [nloane@trtgroup.com.au](mailto:nloane@trtgroup.com.au).

Applications close Friday 30<sup>th</sup> March 2018.
