

## WINNATHOOLA PASTORAL CO

A position has become available within our mixed farming/cattle operation at Wallumbilla, Qld.

We are a progressive cattle breeding & fattening business with a focus on good genetics & utilise fodder crops to optimise production. We require a person who is willing to embrace the objectives of our business with a commitment to achieve the best possible outcomes.

The successful applicant will have the opportunity to be involved in all operational aspects of the business. Low stress stock handling procedures are practised. Zero/ minimum till farming practices are implemented with the use of current well maintained machinery.

A modern air conditioned home is available with access to a school bus.

There is opportunity for work for your partner where skills allow. Salary will be offered according to skills & ability.

Send resume or request for further information to [wpc@winnathoola.com.au](mailto:wpc@winnathoola.com.au)
