

## **ASSISTANT CROPPING MANAGER**

Ceres Agricultural Company is seeking an **Assistant Cropping Manager**. The role reports to the Cropping Manager as second in charge. The position is located in Northern NSW in the Moree/Warialda districts where the company has dryland croppings operations across 17,000ha.

To be successful in the role you must be experienced in broadacre cropping and the operating of machinery and its associated technology. The successful candidate must have excellent verbal and written communication skills and be a team player.

### **As our preferred candidate you will have:**

- A current ChemCert qualification
- Current Driver's Licence
- Tertiary qualifications - desirable but not essential
- Management experience in the cropping sector but more importantly a desire and willingness to grow is vital

The **successful candidate** will be provided with accommodation & an attractive salary package.
