

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

CTLX Carcoar

report date 17 Apr 2018

Yarding Change 4340
680

comparison date 03/04/2018

As conditions remain dry the numbers continue to come forward. It was a typical drought yarding with large numbers of cows, many of which were in very plain condition along with large numbers of calves. There were a few well finished pens of trade cattle and only limited numbers of grown steers.

Young cattle to the trade were around firm with vealers selling to 308c and the prime yearlings selling from 256c to 304c/kg. The feeder steers were close to firm, while the feeders were 12c to 16c/kg cheaper. The feeder steers sold from 248c to 304c, while the feeder heifers sold from 224c to 249c/kg. Young cattle to the restockers were cheaper with the steers selling to 275c and the young heifers to 230c/kg.

Grown steers were 8c cheaper with the few prime medium and heavy weights selling from 240c to 266c/kg. Grown heifers sold to 257c/kg. The better conditioned cows were 5c to 8c cheaper, while the plain conditioned cows were up to 25c/kg cheaper and more in places. 2 score cows sold from 40c to 146c to the processors and 165c/kg to the restockers. The better 3 and 4 score cows sold from 135c to 209c, with the prime heavy weights averaging 192c/kg. Bulls sold to 252c/kg.
