

## **PEN RIDER**

- Based – Myola Feedlot, Northwest NSW
  - Proactive Team Environment

If you are an experienced Pen Rider, then we are looking for you!

The Bindaree Beef Group (BBG) require Pen Riders for our Myola Feedlot, which is situated in the heart of the 'Golden Triangle' in northwest New South Wales.

Myola is a modern 20,000 head capacity feedlot situated 80km from Goondiwindi, 60km from Moree and 70km from Wyallda. Myola plays an integral role in the BBG supply chain, ensuring the delivery of a consistent supply of cattle to Bindaree grain fed brands.

We are looking for experience pen riders with demonstrated abilities in animal husbandry and livestock handling.

### **Reporting to the Livestock Manager you will be responsible for:**

- continual monitoring of cattle health
- treating cattle
- drafting and moving cattle
- maintain troughs and hospital facilities
- assist in the processing shed, loading and unloading area.

### **Skills / Experience Required:**

- ability to diagnose animal health symptoms and treat with the appropriate protocols
- competent horsemanship skills
- supply 2 horses suitable for the job with own tack
- excellent livestock handling skills
- communication skills and able to work within a team
- show initiative and willingness to learn.

If this opportunity is the right for you, please send your resume to [susan.barnard@myolafeedlot.com.au](mailto:susan.barnard@myolafeedlot.com.au), or to discuss your interest in confidence please call Sue on 0438 813 362.
