As the dry weather continues the selloff continues. Once again here were large numbers of cows and young calves throughout. The best of the cows were in good condition though there were large numbers of very plain cows. There was a fair selection of feeder steers and a limited selection of prime trade cattle and grown steers.

The few young cattle to the trade were close to firm with vealers selling to 309c and the prime yearlings to 303c/kg. Feeder steers and heifers were firm to 2c/kg cheaper. Feeder steers sold from 246c to 303c while the feeder heifers sold from 200c to 271c/kg. Young restocker cattle were up to 40c/kg cheaper with some lots passed in. Young steers to the restockers sold from 180c to 250c to average 221c while the young heifers to the restockers sold from 106c to 228c/kg.

The few grown steers were 4c cheaper with the prime medium and heavy weights selling from 240c to 275c/kg. Grown heifers sold to 263c/kg. Plain conditioned cows were up to 25c/kg cheaper while the prime heavy weights were firm. 2 score cows sold from 40c to 156c while the better 3 and 4 scores sold from 142c to 223c with the prime heavy weights averaging 205c/kg.
