

CARRINGTON  
COTTON CORPORATION

# Assistant Farm Manager

## Irrigated Cropping

Applications close 8th June, 2018

Based in Goondiwindi QLD, the Carrington Group of Companies (RMI Pty Limited) is a family owned agricultural group involved in a diverse range of activities including; irrigated cotton, ginning, warehousing and logistics, broad acre grains and pulses, livestock feed lot, breeding and backgrounding and a Quarter horse stud.

We currently have an Assistant Farm Manager position available and are looking for someone who can demonstrate their proven operational experience and agronomic knowledge to be responsible for day to day crop production whilst working with the Farm Manager to achieve commercial outcomes.

This position is based on one of our aggregation of farms (7,500Ha), 50kms west of Goondiwindi in NSW. The successful candidate would ideally have a desire and willingness to grow within a team and corporate environment.

As the Assistant Farm Manager duties will include but are not limited to:

- Assist in the development of the cropping production plan and be accountable for its implementation and hitting its revenue targets
- Leadership and management of a full time team of staff
- Liaison, coordination and management of contractors
- Consultation with the companies' agronomist
- Timely reporting to the Farm Manager and Executive Management Team
- Ensuring HR and OH&S standards are met and followed
- Proactively identify opportunities for increased production, improve efficiencies and innovation

The successful candidate will have:

- Demonstrated experience in cotton and irrigated crop production
- Experience with precision agriculture technology
- Current ChemCert accreditation, drivers licence and first aid training, or a willingness to obtain such accreditations
- Ability to keep accurate production records
- Ability to plan effectively and manage against a budget
- Strong relationship management and communication skills
- Friendly and well presented
- Highly developed organisational and computer skills and flexibility to work across different areas of the operation

This is a hands on, full time position with a locally owned family business in a thriving regional community. The Assistant Farm Manager will be based on farm 50kms west of Goondiwindi. The remuneration package will consist of salary + superannuation + family home + work vehicle + mobile, at a level to attract and retain an industry leading performer.
