

Namgooyah Grazing Pty Ltd

Farm Manager/Assistant

We are looking for a Farm Manager to assist with the management and development of a beef cattle property, located 16km from Emerald.

This is an opportunity for an honest, hardworking and self-motivated person who can work alone, but is also able to work as an integral member of a team. There is room for growth and expansion for the right applicant.

Selection criteria include:

Strong background and experience in all facets of animal husbandry;
Computer literate, able to write and adhere to a budget, and demonstrate an overall understanding of maintaining and improving farm profitability;
Good controllable working dogs an advantage;

Responsibilities include:

All general property maintenance and development eg dam building, planting leucaena, weed control.

Salary commensurate with experience and negotiable, but above award wages. In addition, a comfortable 4 bedroom home is provided.

Please email namgooyahjobs@gmail.com with resumes and references or for a copy of the job description.
