

Feedlot Graduate

A fulltime feedlot graduate position has become available within the Iranda Beef team. Iranda Beef has recently undergone a large scale expansion with a current capacity of 15,000SCU and home to modern feeding and cattle handling facilities. Iranda is located 15km north of the township of Tintinara, SA, 2 hours from Adelaide airport.

The graduate position is an 18 month program that will provide the successful applicant with a solid platform into a rewarding career within the lot feeding industry. The program will involve both internal and external industry recognised training that will potentially lead into a supervisory level employment at the completion of program.

The successful applicant will be exposed to all areas of modern feed lotting systems including livestock, feed/ mill, administration, general operations, QA, environment and safety. In addition to this graduates will be exposed to feeder backgrounding, cattle buying and the meat processing industry.

Essential requirements include;

- Recent completion of tertiary education in Agriculture or closely related field
- Current drivers licence
- Strong computer based skills
- Motivated and driven to begin career within the agricultural industry

Preferred requirements include;

- Good written and oral communication
- Experience in the livestock industry
- Basic cattle handling skills
- Understanding of workplace safety and quality assurance systems

The successful applicant will need a positive attitude and ability to work as part of a team.

Above award remuneration offered.

Written applications including covering letter and resume should be sent to:
