

Export/Sales Manager

Located in Geelong, M.C. Herd is a large export meat processing facility supplying Australian lamb, sheep and beef to both local and overseas markets. Currently we have an exciting career opportunity for a driven Export/Sales Manager to join our team across our meat processing facility in Corio.

Your responsibilities will include:

- Deal with clients
- Sell and Manage Export Products
- Coordinate airfreight shipments
- Work within a team environment to ensure Quality and Specifications are met
- Manage production schedules

To be successful in this position you will need to possess the following skills:

- Knowledge of the Meat Industry in a Sales/Export role
- Worked closely within a team environment
- Good Communication Skills
- Production / Distribution / warehouse / exporting experience

This is a great opportunity to work for a globally recognised brand long term. To apply please send your application to angelo.lauricella@herd.com.au addressed to Angelo Lauricella, Operations Manager.
