

Wilcarra Pty Ltd

### **Permanent Farm Employee**

A senior farm hand position has become available within our family farming business. Our property is located in the Wheatbelt of Western Australia. We are situated on a school bus route in the Corrigin Shire, approximately 180km east of Perth.

We run a large broadacre cropping program with a large export hay component. We are seeking an experienced, focused, self-motivated person. This person must be able to work unsupervised and within our team. The applicant should be competent in the use of large modern John machinery, including spraying. Experience with export hay production, mechanical skills and an MC licence would be an advantage.

The successful applicant will have an attractive remuneration based on experience including a modern home and work vehicle.
