

Position Vacant

DAIRY FARM MANAGER or SHARE FARMER

AT TOGARI

We are seeking applications for a Dairy Farm Manager for our Mistvale property.

Mistvale presently milks around 550 spring calving. It is 178 ha effective dry land at Rennison Road, Togari.

Reporting to the Operations Manager, the position is accountable for the profitable and effective day to day running of the farm.

To be successful in the role, you will have:

- Excellent skills in all aspects of dairy farming
- Experience in predominately pasture-based feeding systems
- Ability to manage Spring calving
- Strong people management skills and an ability to train and develop staff to reach their full potential
- Excellent communication skills with the ability to work within a team and corporate environment
- Sound financial reporting and computer literacy skills and/or the willingness to build on these skills
- A willingness to achieve industry best-practice in the areas of Work Health & Safety, Animal Welfare and Environmental Standards

The successful candidate will be offered a competitive remuneration package including a four-bedroom brick home.

Please email your resume to recruitment@vdlfarms.com.au

Applications should be received by COB Friday 27 July 2018
