

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 02 Aug 2018

Yarding Change 5460
-340

comparison date 26/07/2018

It was a better quality yarding, with a couple of large consignments of trade weight cattle coming off irrigated pasture. Although, there were still large numbers of light weight cattle in store condition and large numbers of cows.

Trade cattle were firm for the very best, but 5c to 11c/kg cheaper for most. Vealers sold to 319c, while the prime yearlings sold from 260c to 310c/kg. Feeder steers and light weight feeder heifers were up to 28c/kg cheaper, while the heavier heifers were close to firm. Feeder steers sold from 228c to 318c, while the feeder heifers sold from 180c to 279c/kg. Young restocker cattle were 10c to 15c dearer, with the young steers making from 134c to 268c/kg. The young heifers to the restockers sold from 110c to 230c/kg.

The few grown steers were up to 13c cheaper, with the prime medium weights making from 256c to 284c/kg. Grown heifers were around firm, with the better types making from 243c to 275c/kg. Plain conditioned cows were 40c to 60c cheaper, while the better finished cows eased 15c to 20c/kg. 2 score cows sold from 55c to 140c, while the better 3 and 4 scores sold from 145c to 225c, while prime heavy weights averaged 201c/kg. Bulls were also cheaper, topping at 214c/kg.
