

Bendee Farming Careers:

Experienced Farmhands

Bendee Farming

'Bendee' is a progressive and expanding mixed farming operation close to Emerald in Central Queensland.

What we need

We currently have the following positions available:

- Farmhands with good knowledge of broad-acre farming
- Machine operator/Farmhand with experience with laser levelling, bulldozer, loader etc.

Duties & Responsibilities of this Role

- With these roles you would be working closely with the manager and owners. You must be able to work both independently and as part of a small energetic team.
- Experience with late model machinery and modern farming practices, exposure to GPS systems and sound mechanical aptitude would be required. MC Licence, Chemical accreditation and Cattle experience highly regarded, but not essential.
- Responsibilities will include, but not limited to: Planting, maintenance and harvesting dryland crops. Operation of self-propelled spray rig and earthmoving equipment. Servicing and upkeep of equipment and assets.
- These positions have an attractive hourly rate of pay, for the right applicants.

How to Apply

If you are responsible and self-motivated, take pride in your work, have a passion for farming and possess the required skill set for these roles, we'd like to hear from you.
