Experienced FarmHand

Farm Personnel Required; Emerald Qld.

We currently have the following positions available on our progressive, expanding Mixed Farming Operation close to Emerald in CQ.

:Farmhands, (good knowledge of broad-acre farming)

:Machine operator/Farmhand, (experience with laser levelling, excavator, loader etc).

With these roles you would be working closely with the manager & owners. You must be able to work both independently & as part of a small energetic team. If you are responsible, self motivated, take pride in your work, have a passion for farming & fit required skill set for role, we'd like to hear from you.

Experience with late model machinery & modern farming practices, exposure to GPS systems & sound mechanical aptitude would be required. MC Licence, Chemical accreditation and Cattle experience highly regarded, but not essential.

Responsibilities will include, but not limited to: Planting, maintenance & harvesting dry land crops. Operation of self propelled spray rig & earthmoving equipment. Servicing & upkeep of equipment & assets.

These positions have an attractive hourly rate of pay, for the right applicant.
