

# BINDAREE BEEF GROUP

## Repairs and Maintenance

- Based at Myola Feedlot, North West New South Wales
- Provides Job Stability
- Challenging and Exciting Career Opportunity

Do you have experience in carrying out general repairs and maintenance?

Bindaree Beef Group is looking for an experienced person to join our team at the Myola Feedlot, located in northwest New South Wales. This is a hands on position requiring the person to work from Monday to Friday.

### **PRIMARY DUTIES AND RESPONSIBILITIES:**

- general property improvements, repairs and maintenance
  - fence, yard and pen repairs
  - steel welding, grinding and cutting
  - basic plumbing repairs
  - water trough repairs
- maintain, service, and repair machinery and equipment
- responsible for tools inventory
- day to day operations and general workshop housekeeping
- seasonal operation of pivots and irrigation in general
- assist with preventative maintenance programs
- maintain Quality and Safety Standards by operating in a manner which reflects and reinforces Company standards and expectations
- other duties as required.

### **Additional requirements:**

- ability to perform work in a timely manner while following all safety procedures
- ability to organise work program to ensure tasks are carried out in a timely manner and work is performed to a high standard
- hands on attitude to the position and be prepared to work across various tasks from workshop to feedlot maintenance
- ability to work independently as well as cohesively with a team environment
- attention to detail.

For further details about the position and/or to obtain a full position description, please contact Susan Barnard on (02) 6754 5333. You can also apply for this role by submitting your resume to [susan.barnard@myolafeedlot.com.au](mailto:susan.barnard@myolafeedlot.com.au)
