

STATION MANAGER

Oban Station QLD

A great opportunity for a couple who have the passion and experience to work on a cattle property managing the station and its assets. This position is suitable for married/partners.

Oban Station is located 100 kms South-West of Mt Isa and is a dry backgrounding operation producing turn-off stock for live export/feedlot markets and meatworks.

The successful applicant will have the required experience, be self-motivated, disciplined and be able to demonstrate the following:

- Sound knowledge and experience in beef property management
- Strong team leadership and effective communication skills
- Ability to work in a company structure including reporting.
- Good business and budget analysis with computer skills
- Be a hands-on Manager with good staff management skills
- Workplace Health and Safety management

Preferable experience:

- Knowledge of bores and its maintenance
- Working knowledge of plant and machinery
- Improvements program management
- MC licence
- Firearms licence

A good remuneration package will be offered based on experience. The closing date for all applications is 21st September 2018. Applications should include a covering letter with resume and email to recruitment@westerngrazing.com.au.
