

Experienced Stockperson

Moon Lake Investments is a progressive dairy farming business in North West Tasmania. The Company owns 25 dairy farms plus an extensive dairy support and heifer raising operation, with a Head Office in Smithton. The Dairy Support property rears up to 12,000 Heifers and graze up to 3,000 wintering cows on 5,000 Ha. We also produce a large amount of the supplement in the form of silage and hay to the company's dairy farms.

We are seeking an experienced stockman to join our dynamic team at the Dairy Support Unit. This is a permanent long-term position and would suit someone looking for stability and the opportunity to develop and progress within the Company and the dairy industry.

Applicants must meet the following criteria:

- Good organisational and time management skills
- Have excellent pasture management skills
- The ability to work unsupervised and in a team environment
- The ability to work under pressure
- Proven livestock handling skills
- Able to operate farming equipment including ATV's
- Hardworking, honest and reliable
- General farm duties
- Needs to provide own working dogs
- A willingness to achieve industry best-practice in the areas of Work Health & Safety, Animal Welfare and Environmental Standards
- Must hold a current drivers licence
- Must complete a Pre-Employment Medical and Criminal History Check

The successful candidate will be offered a competitive remuneration package based on the candidate's skills and experience in line with the *Pastoral Award 2010*.

To apply for this position please forward a cover letter and your resume to the HR Manager at recruitment@vdlfarms.com.au by COB 17th August 2018.
