

LIVESTOCK MANAGER

A North Queensland Livestock Handling Facility is seeking a Livestock Manager.

This person will be responsible for Management of the Livestock Handling Facility and will liaise with the General Manager and the Logistics Manager.

The position is responsible for handling livestock daily, receiving cattle on arrival and ensuring they are appropriately penned and necessary paperwork accompanies the cattle.

DUTIES INCLUDE, BUT ARE NOT LIMITED TO :

- Liaise with Transport Companies, Graziers, Livestock Agents and Exporters
- Cattle handling experience is a pre-requisite
- Excellent communication and record keeping skills
- Work in a team environment
- Strong commitment to animal welfare procedures and Workplace Health & Safety standards
- Truck & firearm licence (QLD)
- Strong work ethic
- The ability to work weekends and outside work hours (if required)

An attractive remuneration package is on offer to attract the right person for this position.

Interested applicants should email their resume, including references to – julagolhf@bigpond.com
