

# Station Hand

## Roma Cattle Station

Two permanent positions are vacant on a breeding and fattening cattle station.

Applicants must:

- Have cattle knowledge and experience
- Be capable mustering on a horse
- Be able to operate basic farm machinery
- Be able to fence, and perform general property maintenance
- Be fit and work well as a part of a team
- Be willing to work independently and unsupervised intermittently
- Hold a current driver's licence, and have your own vehicle
- Have experience in a similar role.

Welding, chainsaw, water maintenance experience or a HR Licence, would be an advantage but not essential.

Working dogs and horses only are welcome.

This is a long-term position on a progressive property with opportunity for self-development. Accommodation & keep provided. Good conditions, close to services, wage negotiable relative to skills and experience. *Applications treated confidentially.*

**Please note this is a permanent position and not available to Working Holiday Visa Holders.**
