comparison date 25/09/2018

It was a fair quality yarding with a good selection of ideal feeder cattle and a few lots of well finished trade cattle. Cows were well supplied although most were in plain condition and they didn't have the same numbers of light weight young cattle compared to previous sales. Additionally, there were no grown steers yarded.

The few young cattle to the trade were 7c to 10c cheaper, with prime yearlings making from 245c to 291c/kg. Feeders were 12c to 15c cheaper, with the feeder steers making from 260c to 317c, while the feeder heifers sold from 210c to 267c/kg. Young cattle to the restockers were dearer, with the young steers reaching 286c, while the young heifers topped at 230c/kg.

The few grown heifers were a little cheaper, with the better types reaching 220c/kg. Plain conditioned cows were 8c to 14c cheaper, while the properly finished cows were up to 25c/kg cheaper. 1 and 2 score cows sold from 20c to 158c, while the better 3 and 4 scores sold from 156c to 220c, with the prime heavy weights averaging 202c/kg. Bulls sold to 255c/kg.
