- General property maintenance, waters, fences, machinery;
- Familiar with or willing to learn stock recording software and pasture management Apps;
- Maintain house and garden provided;
- Plant maintenance;
- No horse work required;
- One month probation.

Qualifications:

- Honest, reliable, self-motivated with demonstrated work ethic;
- Organised;
- Adaptable to rural life and living an hour from town;
- Trade and or industry experience/ qualification;
- Own transport preferred.

Package:

- Comfortable a/c accommodation provided;
- Power;
- Attractive salary for suitable applicant.

We are happy to provide photos, references from previous employees or any further information upon request.

Position is available from January 2019.

Please apply in writing with references.
