

# **MACHINERY OPERATOR/FARM HAND**

Our company is looking for an experienced, proactive and driven person to join our team on our property in the Armidale/New England area of New South Wales.

In this varied position, the successful candidate will be involved in the operation of machinery in a number of different facets of our cattle farming business. The machinery operation will largely consist of operating a bulldozer (minimum size D6). However, they will also be required to operate other machinery including grader, tractor, boom spray and planting equipment. Operations must be conducted in a safe and responsible manner and some knowledge of machinery maintenance is preferred. Other aspects of this role will include, but not limited to; fencing, movement of cattle and other general farm hand duties.

Applicants must:

- Follow safe work methods & follow procedures
- Farming experience/background is preferred
- Enjoys working autonomously in addition to within a wider team
- Excellent time management skills
- Genuine interest and passion for beef farming
- Follow all Animal Welfare & husbandry standards and the ability to work in a Quality Assured & Environmentally focused workplace.
