report date 08 Nov 2018

Yarding Change 1455
-2665

comparison date 01/11/2018

Following the excellent rains over the past 24 hours, numbers were down by 2,700 head. It was a reasonably plain quality yarding, with a fair influence of far western cattle throughout. There was a reasonable selection of feeder cattle and cows, and only odd lots of well finished grown steers.

The few trade cattle were close to firm, with prime yearlings making from 262c to 295c/kg. Light and medium weight feeder cattle were 5c cheaper, while the heavier weight feeders were 5c/kg dearer. Feeder steers sold from 240c to 312c, while the feeder heifers made from 234c to 293c/kg. Young cattle to the restockers were up to 40c dearer, with the young steers making from 240c to 328c, while the young heifers sold from 227c to 292c/kg.

The few grown steers were firm, with the prime medium weights making from 282c to 301c/kg. Grown heifers were also firm, with the better types receiving from 243c to 270c/kg. Plainer conditioned cows were 6c to 9c dearer, while the properly finished cows were 5c/kg cheaper. 2 score cows sold from 150c to 199c, while the better 3 and 4 scores made from 196c to 241c, with the prime heavy weights averaging 229c/kg. Bulls sold to 258c/kg.
