

Experienced Bore Runner / Bore Mechanic

Gascoyne Junction / Pilbara Area WA (Approx 500 km from Carnarvon)

- **Competitive remuneration**
- **Accommodation and meals (prepared in the station kitchen)**
- **Learning and development opportunities**

Our business has an exciting opportunity for an experienced and highly motivated Bore Runner to join our team assisting in the management of our water resources for our beef cattle operation in the Gascoyne Junction / Pilbara Area, Western Australia.

Reporting to the Pastoral Operations Managers, the candidate will be responsible for all aspects of bore running and maintenance, including maintaining and cleaning pumps (both solar and diesel as well as windmills), checking water points and maintain water distribution points. You may be required to complete some general station maintenance, however waters are the main priority.

We are seeking employees who are looking for a career in the Agricultural Industry. Applicants with a proactive, positive and can-do attitude are invited to apply to join our TPC team. TPC employs staff from a diverse range of backgrounds with a variety of knowledge, skills and abilities.

Key Duties & Responsibilities:

Duties will include, but are not limited to:

- Responsible for water maintenance across the station
- Assist with the implementation of our water supply upgrades projects
- Observation and maintenance of watering points
- Travelling between water points in a 4WD vehicle
- 4WD vehicle and tools provided for daily work duties
- Maintenance of 4WD vehicle, small diesel pumps and spare parts
- Maintenance of Mono pump systems, solar pumps
- At each water source (bore) check and maintain the following: tank level, tank fences, troughs and motors.
- Reporting any issues back to the Operations Manager and Livestock Manager
- Keep records in writing of: bores checked, level of water at each turkey next, number of cattle at each trough, maintenance on fences, troughs and motors
- Prepare, maintain and communicate reports to assist with business analysis and with meeting strategic objectives.
- Assisting elsewhere on the property if required
- Perform your job in a safe manner in line with TPCs safety programs and procedures.
- Promote and comply with quality assurance, company systems and legislative obligations.
- General station maintenance.

Essential Criteria:

- Current manual drivers licence
- Previous experience in a similar role
- Ability to co-ordinate a daily and weekly work schedule
- Ability to work both alone and as part of a team

Desirable Criteria:

- Knowledge of Microsoft programs – Word, Excel and Outlook

This is not a complete list of job responsibilities.

Physical Demands

- This job can be physically strenuous (demanding) from time to time. You will be expected to be able to walk, climb, bend, kneel, lift, grip, grasp, push and pull various tools and equipment. You will need the ability to frequently lift, push and pull from 10–20 kilo's and occasionally more.
- This job will require the ability to ascend/descend ladders.
- You will be required to wear personal protective equipment, including hats, gloves, safety glasses, covered shoes, and respiratory protection and ear protection as appropriate.
- This job requires the ability to comprehend written and oral operational and safety instructions and related rules, policies and memos, and to communicate clearly with your co-workers and supervisors.

Working Environment

This is a physical job that includes both indoor and outdoor work in all types of weather and temperature environments.

Accommodation

Single accommodation in staff quarters

Start Date

Immediate start

Additional Notes

Remuneration will match the level of skill and experience demonstrated and in accordance with the company's Certified Agreement.

Please ensure that you have provided 2 References when applying for this position.

Safety is our most important value at TPC, and the welfare of TPC's people, customers, animals and land is paramount.
