## HELICOPTER PILOT/STATION HANDS

Hancock Agriculture, incorporating S. Kidman & Co Pty Ltd and Hancock Prospecting Pty Ltd Services, is a world-class agribusiness with 29 properties across Australia spanning 10 million hectares. We are one of the country's largest producers of beef with a herd of over 320,000.

We have two opportunities for experienced Helicopter Pilot/Station Hands to join our operations at Inverway and Riveren Stations in the Northern Territory.

Reporting to the Station Manager, your main responsibilities will include aerial stock mustering, checking of stock and facilities and flying company staff between properties. You will at all times adhere to regulatory requirements and the company's safety and operational standards.

When not engaged in aerial operations, the successful applicant will be required to work as a Station Hand and assist with general day-to-day station activities including working with livestock.

### Minimum Requirements:

- CASA Commercial Pilot Licence Helicopter - CPL (H)
- Aircraft class rating for Single-engine Helicopter (SEH)
- R22 endorsement
- Low-level rating with an Aerial Mustering endorsement
- 500 hours of aerial mustering experience
- Current Class 1 medical certificate
- Current Aviation Security Identification Card (ASIC)
- Valid and current Class C Motor Vehicle Drivers Licence or higher
- Located in Australia with the legal right to work here.

### Desirable Experience:

- R44 endorsement
- On-ground mustering and livestock handling skills
- Heavy Vehicle licence
- Experience riding motorbikes.

If you meet the minimum requirements, have an excellent attitude, work and safety history and would like to enjoy the lifestyle of the Great Australian Outback, please email a CV with referees to [hr@hancockagriculture.com.au](mailto:hr@hancockagriculture.com.au).
