

Detailed saleyard report - cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 17 Jan 2019

Yarding Change 3075
-425

comparison date 10/01/2019

With the cheaper markets throughout the week combined with the very hot conditions numbers were down. Cows made up a large percentage of the yarding along with good numbers of yearlings which were mostly suitable for the feeders and restockers. There were only a few pens of properly finished grown steers yarded. Not all the regular buyers were operating resulting in a cheaper market.

Young cattle to the trade were 15c cheaper with the prime steer yearlings making from 248c to 270c/kg. Feeder cattle were 25c to 30c cheaper with the feeder steers from 224c to 286c/kg. The feeder heifers sold from 184c to 255c/kg. Young restocker cattle were 10c to 20c cheaper with the young steers from 165c to 269c while the young restocker heifers sold from 120c to 214c/kg.

Grown steers were considerably cheaper with quality a factor. The prime medium and heavy weights sold from 231c to 260c/kg. Grown heifers were 15c cheaper with the better types making from 225c to 242c/kg. Cows were 22c cheaper with the 2 scores selling from 110c to 163c to the processors and 170c/kg to the restockers. The better 3 and 4 score cows sold from 150c to 199c with the prime heavy weights averaging 195c/kg. Bulls sold to 225c/kg.
