

Assistant Manager - Allawah Brahman Stud

CPC is Australia's number one private cattle provider, owning 15 properties totalling 4.7 million hectares running in excess of 380,000 head cattle. Safety is our most important value at CPC - The welfare of CPC's people, customers, animals and land is paramount.

CPC is now inviting applications for an Assistant Manager position at Allawah Brahman Stud.

Allawah Brahman Stud, Queensland operates an intensive bull breeding operation near Biloela in Central Queensland which underpins CPC's genetics program using artificial insemination and embryo transfer programmes on a herd of 1200 stud Brahman breeders joined to Brahman, Angus, Belmont Red and a separate Boran breeding herd.

We are looking for a motivated and dependable person with excellent communication skills to assist the Station Manager in the day to day operations.

This position offers an exciting opportunity to learn from an experienced and performance driven management team at both Allawah and within CPC. There is scope for progression within the company in stud or commercial roles. Formal and informal training opportunities in cattle productivity and business operations are included.

Essential Criteria:

- Promote and manage best practice in animal welfare and quality assurance
- Create and promote a positive health and safety culture
- A genuine desire to work in an intensive stud operation
- Excellent time management and communication skills
- Excellent animal husbandry skills
- Sound knowledge and experience in all aspects of property maintenance
- Excellent knowledge in horse riding
- Attention to detail
- Good computer skills and accurate record keeping including timely report preparation and livestock documentation
- Own horses and working dogs
-

Desirable Criteria:

- Low stress stock handling skills
- Pregnancy testing
- Artificial insemination

Highly competitive and attractive salary packages with conditions are on offer.
