

KEY ACCOUNT MANAGER NEW SOUTH WALES

Shearwell Australia Pty Ltd supplies livestock identification and management products. These include electronic and visual ear tags, RFID readers, automatic handling equipment and a range of software-related products.

We are now looking for a committed, highly organised, self-motivated sales professional who is capable of selling our range of products throughout Australia.

- Must be prepared to travel extensively to all livestock areas including interstate
- Ability to develop new contacts use previously well-developed contacts within the livestock industry
 - Ability to develop brand awareness of all Shearwell Australia products.
 - Attend shows and field days as required locally and interstate
 - Self-motivated but also a team player.
 - Conscientious self-starter with well-developed communication skills.
 - Good administration skills and well-developed computer skills with the ability to be involved in setting up and providing service and back up for our range of products.

Candidates who display knowledge of the livestock industry and RFID technology would be at a distinct advantage.

This represents a superb opportunity to join our successful and expanding company with head office being based in Bendigo, Victoria.

Attractive remuneration package based on experience.

Career progression opportunities available.
