Mort & Co is one of Australia's largest lot feeding businesses, with a turnover in excess of 180,000 head of cattle per year. Mort & Co operate two feedlot and farming operations in South East QLD.

Due to continued growth, Mort & Co is looking for another person to join the small and dynamic livestock and logistics team.

Ideally the role will suit someone who strongly aligns with our company values, and wants to be part of a collaborative and innovative local business.

The role will be responsible for:

- Livestock procurement including paddock (direct/agent), online and saleyard purchases
- Coordinate inbound and outbound livestock logistics
- Work closely with feedlot staff to ensure adherence to livestock specifications as well as maximising the utilisation of available feedlot space
- Liaise closely with commission buyers, agents and producers regarding livestock pricing, specifications, bookings and deliveries
- Provide financial analysis and market information to the management group
- Livestock purchase contracts and delivery scheduling
- Align and forecast the livestock sales position (forward contract/spot) to accurately reflect the feedlot livestock inventory
- Establish and maintain productive relationships with internal and external stakeholders
- Assist with the facilitation and management of cattle backgrounding inventories
- Analysis of livestock procurement and kill compliance
- Analysis of genomic data

The requirements of the role include:

- Industry experience and knowledge of the producer/agency network, feedlotting and processing preferred but not essential
- Excellent interpersonal and communication skills
- Capacity to build and maintain professional relationships, partnerships and networks
- Sound computer and spreadsheet skills including the ability to maintain inventory software and databases
- Ability to travel extensively

This position is based in Toowoomba and we are looking forward to hearing from suitable applicants with relevant experience.
