- Carry out capital development works (yards, water, fencing etc.)
- Management of the Station in line with business financial objectives
- Undertake all Station activities in alignment with the wider goals of the business
- Demonstrate a strong focus on health and safety, ensure all aspects are carried out safely and efficiently

The Person:

- Significant management experience in the Pastoral Beef industry
- Demonstrated sound knowledge of all aspects of Cattle Animal Husbandry
- Competent and confident horse person
- Problem solving and diagnostic skills
- Excellent time management and organisational skills
- Strong focus on safety and upholding a high quality of work
- Motivated and hard-working, contributing to the Harvest Road team culture
- Possess a suitable fitness level to carry out required tasks in hot weather conditions
- Significant attention to detail
- Strong communication skills combined with the ability to keep and maintain records
- A Road Train Licence is desired but not essential
- Mechanical knowledge is desired but not essential
- Ability to conduct pregnancy testing of cattle is desired but not essential

The successful candidate will be provided with comfortable, air-conditioned accommodation with all meals and utilities included. A competitive remuneration package will be offered to the right candidate subject to their experience. Training opportunities and five weeks of annual leave are further benefits for the successful candidate.

Please note a national police clearance and pre-employment medical assessment is part of the recruitment process.
