

Feeding / Milling Team Operator

A full-time position is available for a Feeding and Milling Team Operator at Stanbroke's 30,000 head feedlot, located at Chinchilla on the Western Darling Downs.

Stanbroke is an Australian family owned integrated beef and cattle company. Stanbroke operates a number of cattle stations in northern Queensland, backgrounding and feedlot operations in southern Queensland and a fully accredited beef processing facility in the Lockyer Valley.

This position is suited to an appropriately skilled, self-motivated and energetic person capable of undertaking the operation of heavy plant and machinery. The main duties performed in this role include the preparation and distribution of cattle rations throughout the feedlot utilising modern equipment and efficient feed delivery methods. Previous experience with the operation of grain mills, grain handling equipment and cattle feeding machinery would be beneficial but not essential for potential applicants.

Key Attributes Required,

- A good understanding of animal welfare practices, quality assurance and workplace health & safety
- The ability to work in a team environment
- Good communication skills and high attention to detail
- Basic computer skills

The roster for this position will be a flexible 10 days on, 4 days off and single onsite accommodation options are available to the successful applicant, if required.

If you are interested in applying for this position forward your resume to hrfeedlot@stanbroke.com or send via post to Manager Feedlot Stanbroke Beef 1847 Greenswamp Rd, Chinchilla QLD, 4413
