

Leading Station Hand

- Limestone Coast, South Australia
- Certified Organic Beef Production & Prime lambs.
- Progressive

Company

Woakwine Station is a progressive and highly productive property situated in the Limestone Coast region of South Australia. Proudly family owned, we produce certified organic beef and prime lambs on native and improved pastures in a 700mm rainfall region.

Position

Leading station hand reports directly to the owner and will be expected to lead a team in day-to-day activities involved in running our certified organic 4000ha property.

Key Responsibilities

- Be responsible for livestock health, stock movements, pasture monitoring, irrigation, haymaking etc.
- Keep records of all stock movements, mob alterations, animal treatments, paddock treatments etc.
- Maintenance of fencing and yards.
- Operate and maintain farm machinery.
- Monitor & document crop & pasture treatments.
- *'low stress management'* of stock.
- Adhere to OHSW policies and procedures.
- Lead team members through effective working relationships.
- Maintain and upgrade personal Professional Training and Development.

Education and Experience

We are seeking a motivated, passionate and hands-on, team member with demonstrated beef and lamb production knowledge. Punctual and organised, excellent communication skills and a positive attitude, are essential attributes to make a success of this role. ~~You~~ You must be fit, active and prepared to take on responsibility.

Remuneration

An attractive remuneration package, including a renovated four bedroom family homestead over looking Lake George, reverse cycle air-conditioning and garden.
