

Lake Nash Station is a cattle station on the Georgina River in the Northern Territory wholly family owned by Georgina Pastoral Company. Lake Nash is in an enviable location with access to school, nursing clinic and police at the local community 8km from the homestead and also only 240km to Mt Isa. We have the following opportunities available for long term staff interested in job security.

MC Driver

- Must hold current MC licence
- Previous cattle experience required
- Sound knowledge of general maintenance an advantage

Head Stockman

- Prior experience on a large-scale cattle station
- Experienced horseperson with ability to be responsible for the welfare of all camp horses
- Ability to mentor and train staff, with good leadership skills
- Awareness of and responsibility for OH&S requirements
- Quiet cattle handling
- Attention to detail, as well as being neat, tidy and organised
- Willing to learn

All positions come with attractive remuneration packages, inclusive of accommodation, all meals and salary. Accommodation is available for families/couples.

For a confidential discussion please contact Erin or Natalie at Lake Nash Station, on 07 4748 4877 or via email lakenashstn@georginapastoral.com.au.
