

LIVESTOCK MANAGER – WAINUI FEEDLOT

Founded in 1877, The North Australian Pastoral Company (NAPCO) is a leader in Australia's cattle industry, operating 13 cattle stations across Qld and the NT and the Wainui Feedlot on QLD's Darling Downs. Wainui is a 14,000ac property on the inner Darling Downs. The property operations encompass an 11,000ac farm, and an 18,000hd feedlot. The feedlot plays an integral role in NAPCO's supply chain, and producing high quality cattle for domestic and export markets.

As Livestock Manager you will report to the Wainui Feedlot Manager

This role will have responsibility for:

- Overseeing all aspects of cattle handling and observation from induction, feeding, health management, pen riding, movements & dispatch
- Leading a team to ensure best livestock health, welfare and performance is achieved
- Drafting to specification for different markets on a weekly basis
- Setting and maintaining a high standard for quiet cattle handling at all times.
- Ensuring accurate data & information capture, recording & reporting
- Assisting with the scheduling of livestock placements

To be successful in this position you will have:

- Knowledge and experience in all aspects Feedlot Livestock Management
- Leadership skills with an ability to foster and maintain positive working relationships
- Competency with livestock data systems and technology
- Sound administrative skills

We would also be interested to hear from experienced Feedlot Stockmen looking to step up into leadership.

The Wainui Feedlot and Farm is located on the Warrego Highway, between Toowoomba and Dalby.

The position is available for an immediate start, some flexibility for notice periods, etc.

Air-conditioned Accommodation Available
