

## **OVERSEER – SPRINGVALE STATION**

### **Boulia, Queensland**

Davenport Downs and its outstation Springvale make up a 1.5 million hectare growing and fattening operation in Queensland's channel country. Carrying an average of 25,000 head, comprising of weaner steers, feeders and bullocks, Davenport and Springvale typically receive younger cattle from Rocklands, Gregory and Armraynald destined for feeder, export or slaughter markets.

A unique opportunity has presented for an Overseer or someone ready to step up to this level, located at our Springvale outstation. The role will be responsible for the day to day running of the outstation and will report directly to the Station Manager who is based at Davenport Downs.

We are seeking someone who genuinely has a positive attitude, values an engaging and collaborative team culture, seeks professional development and promotes a safe working environment.

We also need the successful candidate to have:

- Strong organisational skills and attention to detail;
- Experience in and commitment to best practice livestock handling and production;
- Effective communication skills (written and verbal);
- A proven ability to lead and train staff;
- Basic financial acumen, an understanding of working to a budget or willingness to learn;
- An ability to think innovatively and contribute to the work program; as well as
- An ability to manage the maintenance and cleanliness of vehicles and infrastructure.

Remuneration and benefits will be commensurate with experience and what attributes the successful candidate can bring to our business.

For more information please contact Station Manager, Ross Myhill on (07) 46 573 033.

Candidates wishing to apply should send an application letter and resume by the 9<sup>th</sup> May 2019 to [employment@paraway.com.au](mailto:employment@paraway.com.au).
