

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 16/04/2019

Yarding 8381
 Change -3233

comparison date 09/04/2019

The supply of stock reduced by 3,233 head to 8,381 at the Roma store sale. Buyer attendance was generally good, however most were operating selectively, especially on the light weight classes. The better end of the light weight yearling steers returning to the paddock averaged 32c less, and poor quality lines reduced in price by 48c/kg. Medium weight yearling steers to feed averaged 8c/kg cheaper, while heavy weight yearling steers to feed received strong support. The supply of light weight yearling heifers exceeded demand and prices decreased by 48c/kg and considerably more in places. However, medium weight yearling heifers to feed experienced decreases of approximately 20c/kg. The mixed quality yarding of cows generally received only quality related price changes.

Mixed sex calves averaged 196c, with some steer calves reaching 302.2c/kg. Light weight yearling steers returning to the paddock averaged 263c, with sales to 293.2c, and poor quality lines averaged 201c/kg. Medium weight yearling steers to feed averaged 281c and made to 298.2c, and the lesser quality classes 236c/kg. Heavy weight yearling steers to feed made to 287.2c, with majority making approximately 284c/kg. The largest numbers of light weight yearling heifers averaged 188c and made to 214.2c, with poor quality lines making close to 132c/kg. Medium weight yearling heifers to feed made to a top of 271.2c, with a fair sample averaging 232c/kg. Heavy weight yearling heifers to feed made to 250c to average 229c/kg.

Medium weight poor condition cows averaged 128c and made to 146.2c, while 2 score cows averaged close to 170c and made to 197.2c/kg. The best of the heavy cows made to 229.2c to average 217c/kg. Heavy bulls made to 258.2c/kg.
