

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Dubbo

report date 16/05/2019

Yarding 4550  
 Change -825

comparison date 09/05/2019

It was a mixed yarding with once again large numbers of weaners and cows along with some very well finished trade weight cattle, which have had grain assistance. Ideal feeder cattle were in limited supply, as were properly finished grown steers. Most of the regular buyers were operating, including the return of a major export processor.

Young cattle to the trade were 12c dearer, predominately due to quality, with the prime conditioned steer yearlings selling from 261c to 328c/kg. Feeder steers were up to 30c/kg cheaper, with the much smaller number of ideal steers having an effect. The feeder heifers were from 12c to 15c/kg cheaper. Feeder steers sold from 216c to 309c, while the feeder heifers sold from 199c to 246c/kg. Young cattle to the restockers were from 10c to 15c cheaper, with the young steers selling from 170c to 275c, while the young restocker heifers sold from 130c to 226c/kg.

The few grown steers were 2c dearer, with the prime medium and heavy weights selling from 258c to 303c/kg. Grown heifers were also dearer, with the better types selling from 230c to 265c/kg. Plain conditioned cows were 12c cheaper, while the properly finished cows were firm to 2c/kg dearer. 2 score cows sold from 100c to 164c, while the better 3 and 4 score cows sold from 140c to 233c/kg. The prime heavy weights averaged 209c, while bulls sold to 245c/kg.
