It was only a fair quality yarding, with once again good numbers of young cattle lacking finish, along with odd pens of yearlings to suit the feeders and processors. There were very large numbers of cows yarded, though overall the cow quality was much plainer. All the regular buyers were operating, along with some additional restocker buyers and feeder buyers.

Young cattle to the trade were 7c to 10c dearer, with the prime steer yearlings making from 269c to 299c, while the prime heifer yearlings sold from 250c to 289c/kg. Feeder cattle were 15c to 22c/kg dearer compared to the much cheaper market last sale. Feeder steers sold from 260c to 305c, while the feeder heifers made from 210c to 274c/kg. With extra buying support, young cattle to the restockers were up to 30c dearer, with the young steers making from 168c to 280c, while the young heifers sold to 269c/kg.

The few grown steers were firm, with the prime medium and heavy weights receiving from 279c to 298c/kg. Grown heifers were dearer reaching 280c/kg. Cows were 1c to 4c dearer, with the 2 scores making from 116c to 170c, while the better 3 and 4 scores sold from 165c to 230c, with the prime heavy weights averaging 210c/kg. Bulls sold to 249c/kg.
