

LIVESTOCK CO-ORDINATOR

The Midfield Group consists of large farming operations along with a multi-species beef and lamb abattoir, feedlots and dairy factory located around Warrnambool, Victoria. We employ in excess of 1000 people however are a family business with values to match.

We are recruiting a 'Livestock Co-Ordinator' to be based in Warrnambool at head office to co-ordinate all movements of livestock to and from saleyards, direct off farm and feedlots on a daily basis communicating with livestock buyers, transport providers, production planners and senior management. A background in livestock is essential with good administration skills including familiarity with terminology related to livestock administration.

The role effectively covers all aspects of livestock movements within The Midfield Group.

Key points;

- Manage all aspects of livestock movements
- High level of respect for animal welfare
- Attention to detail
- Excellent time management and communication skills
- Neat and presentable presentation
- Some local travel involved in this role

All enquiries to be directed to HR Manager no later than Friday 14th June 2019.
