It was a mixed yarding with once again large numbers of weaners in all runs, as growers remain nervous about the season. There were odd pens of well finished trade cattle and grown steers, along with good numbers of cows. Not all the regular buyers attended, with the absence of some southern restockers and feeders. A southern trade processor was also absent.

Young cattle to the trade were 10c cheaper, with the prime steer yearlings making from 250c to 306c, while the prime heifer yearlings sold from 230c to 290c/kg. Light weight feeder steers were 9c cheaper, while the feeder heifers and the heavier feeder steers were 4c to 6c/kg dearer. The feeder steers sold from 220c to 313c, while the feeder heifers sold from 217c to 288c/kg. Young steers to the restockers were 5c cheaper, while the young heifers were up to 25c/kg easier. The young restocker steers sold from 150c to 282c, while the young heifers made from 100c to 230c/kg.

Grown steers were firm, with the prime medium and heavy weights making from 245c to 310c/kg. Grown heifers were also firm, with the better types receiving from 251c to 294c/kg. Plain conditioned cows were firm to 3c dearer, while the properly finished cows were 15c/kg dearer. 1 and 2 score cows sold from 100c to 175c, while the better 3 and 4 scores made from 166c to 248c, with the prime heavy weights averaging 220c/kg. Bulls sold to 230c/kg.
