

Trainee Manager

Smithfield Cattle Company is seeking a trainee manager to work across all facets of its beef production business. Smithfield is family owned and operates a 18,500 SCU feedlot at Proston and a 6,000 SCU feedlot at Goondiwindi, feeding cattle for the domestic and export markets.

The family also operates grazing, irrigated and dryland cropping properties. We are seeking an enthusiastic and motivated person with a long-term career outlook in intensive beef production.

The successful applicant will undertake a proven training program that covers all areas of production. This will equip them with an excellent working knowledge of the production system for a future management position.

The successful applicant would be able to demonstrate the following:

- A passion for Australian agriculture and the beef industry
- Proven leadership qualities and desire for responsibility
- A proven capacity to learn quickly, solve problems and work to deadlines.
- A willingness to understand and be actively involved in all aspects of the enterprise
- Detailed special achievements
- A high level of initiative and self-motivation
- Sound computer and communication skills

An attractive salary package will be negotiated with the successful applicant on the basis of current skills, experience and potential.

Starting dates are negotiable and accommodation is available.

Applications detailing ability to meet the above criteria to be forwarded to:
