It was a pretty good quality yarding with some good runs of well finished trade cattle along with a fair supply to suit the feeders. Cows and weaners were once again well supplied and there were very few properly finished grown steers. A full field of buyers were in attendance and operating along with an additional feeder order.

Young cattle to the trade were 10c dearer with prime steer yearlings selling from 284c to 331c while the prime heifer yearlings sold from 246c to 338c/kg. Feeder steers were firm to 3c dearer while the feeder heifers finished firm for the light and medium weights and 8c/kg dearer for the heavier weights. The feeder steers sold from 243c to 345c while the feeder heifers sold from 238c to 299c/kg. Young steers to the restockers were dearer while the young heifers were around firm. Young steers sold from 217c to 297c while the young restocker heifers sold from 200c to 287c/kg.

There were too few grown steers to quote while the grown heifers were 10c dearer with the better types selling from 242c to 301c/kg. Plain conditioned cows were up to 15c dearer while the better finished cows were 8c to 9c/kg dearer. 2 score cows sold from 160c to 219c while the better 3 and 4 scores sold from 192c to 277c with the prime heavy weights averaging 250c/kg. Bulls were dearer selling to 278c/kg.
