

## Farm Hand/Machinery Operator

---

A full-time position is available for a Farm Hand at Stanbroke's cropping and cattle properties, located in the Dalby & Chinchilla region on the Western Darling Downs, Queensland.

Stanbroke is an Australian family owned integrated beef and cattle company. Stanbroke operates a number of cattle stations in northern Queensland, backgrounding and feedlot operations in southern Queensland and a fully accredited beef processing facility in the Lockyer Valley.

This position is suited to an experienced, energetic & mechanically minded person with the ability to operate modern farming machinery. The role will involve working on a number of properties across our extensive farming operation in the Western Downs region. The main duties performed will be assisting in the production of irrigated and dryland crops and general property maintenance.

### **Key attributes required**

- Experience in broad acre cropping
- Centre pivot and flood irrigation experience
- The ability to undertake general farm maintenance
- Commitment to OH&S compliance
- Capability to undertake tasks in an autonomous manner

HC truck licence will be highly regarded but not essential for the potential applicants. An attractive remuneration package, including a well-maintained 3-bedroom house for accommodation located near Dalby, will be offered based on the experience of the successful applicant.
