

Production Supervisor

- **Based – Inverell, Northwest NSW**
- **Challenging and Exciting Role**
- **Food Manufacturing Environment**

Located approximately 5kms from the regional town of Inverell, NSW, Australia, Bindaree Beef Group (BBG) is an integrated branded supply chain meat business delivering global meat solutions through a relentless focus on delivering in-full on-time with the highest quality assurance, and achieving complete alignment between producers and customers.

We currently have an opportunity in for an enthusiastic and experienced Production Supervisor. The successful candidate will be an integral part of our Production structure and you will collaborate closely with senior leadership, quality, maintenance and production teams. You will primarily be responsible in managing on a day to day basis at an operational level through delivering a safe, compliant and sustainable business that contributes to the achievements of the overall operation objectives.

Your responsibilities will include but will not be limited to:

- Ensuring a proactive and consistent approach to all matters relating to workplace health and safety including a strong focus on compliance, continuous improvement and where appropriate early intervention;
- High degree of compliance from both a people and food safety perspective at all times paying particular attention to ensuring compliance with all Critical Control Points (CCP's);
- Monitor employee productivity and provide constructive feedback and coaching;
- Work with other members of the management team to ensure complaints or problems are proactively addressed and resolved;
- Drive daily KPI and production targets;
- Provide positive and transparent supervision and leadership within the production room to perform against operational aspects and plans;
- Support return to work programs;
- Report critical issues for operations and provide advice on options when dealing with these.

Essential Qualifications

- Previous experience in a similar role, within a meat processing plant;
- Sound technical knowledge of meat processing, product presentation and extensive food safety knowledge;
- Be dependable and reliable, having the ability to work a flexible schedule that changes as the business changes including nights, weekends if required;
- Have strong written and verbal communication skills, the ability to give direction, while participating in a team environment;
- Have strong organisational and planning skills with the ability to perform under pressure, prioritise and handle multiple tasks and adapt to change when necessary.

If you have a passion for inspiring people and are interested in developing your career in the Production area please email your resume and cover letter to donna.parker@bindareebeef.com.au by 16th September 2019. Alternatively for a confidential discussion in relation to this opportunity please contact Danna Stephens on (02) 6721 1411.
