Young cattle lacking finish made up a large percentage of the yarding along with large numbers of cows. There was a pretty good selection of well finished trade cattle though only limited numbers of ideal feeders. There was a good selection of grown heifers though there was very few grown steers yarded. All the regular buyers were present along with continued solid support from southern restockers.

Young cattle to the trade were 8c dearer with the prime steer yearlings selling from 302c to 342c while the prime heifer yearlings sold from 260c to 314c/kg. Feeder steers were 4c to 9c dearer while the feeder heifers finished 4c to 6c/kg cheaper. The feeder steers sold from 267c to 326c while the feeder heifers sold from 248c to 309c/kg. Young cattle to the restockers were up to 30c dearer and more in places with the young steers selling from 200c to 319c while the young restocker heifers sold from 179c to 266c/kg.

There were too few grown steers to quote. Grown heifers were 10c dearer with the better types selling from 283c to 334c/kg. Cows were 5c to 8c dearer with the 2 scores selling from 156c to 224c/kg. The better 3 and 4 score cows sold from 213c to 278c with the prime heavy weights averaging 263c/kg. Bulls sold to 294c/kg.
